Week 15**

The Parents Corner

Dear Parents,
Greeting!

It is a pleasure to see our dear students having switched to the virtual educational platform and making the most out of it.

Together, we have come so far in this academic session 2020-21.

Keeping this outgoing and positive spirit alive, it is time to continue our learning and understanding.

Teachers are looking for the fun ways to keep the children occupied and intrigued.

We are happy that parents are coming forth to be the integral part of their ward's learning.

We look forward to your support and active participation.

Best Wishes
Team GFNS
