

GREEN FIELDS NURSERY SCHOOL

CLASS-NURSERY VIRTUAL LEARNING PLAN

WEEK 2

Dear Parents,

We have entered the second week of our e-learning classes. The response from our children and you parents has been overwhelming. It has motivated the teachers to prepare further lessons for your kids. Thanks once again for sharing the videos of your child doing his assignments.

Dear parents I hope you understand that the teachers are limited in their resources and teaching aids to prepare a video lesson for your child because of the present scenario but are making all efforts to prepare fruitful lessons for your children. Looking forward to another week of fun learning.

Love and regards

Team GFNS
